Watching I keep waiting still anticipating love
Never hesitating to become the fated ones
Can't stop now, don't you know
I ain't never gonna let you go

Take your passion
and make it happen
And I know, I know, I know, I know
I know I want you, want you

Pictures come alive, you can dance right through your life

I'm so excited, And I just can't hide it
Close your eyes, give me your hand
Voyage, voyage. Voyage (voyage)

Turning and returning to some secret place to hide
Watching in slow motion as you turn to me and say
(This is the night)
Touch me, touch me
I want to feel your body

Take my breath away x2
Do you feel the same?
Am I only dreaming?
Is this burning an eternal flame? x2

Your heart beat next to mine
(This is the night)
Touch me, touch me now x3

הלילה הוא הלילה
רוצה לחוש בך, לעטוף עצמי בך
ואם תהיה תנועה
אולי גם נאבד שליטה
ריגוש של ממש
ואי אפשר להסתיר זאת
טאץ' מי טאץ' מי טאץ' מי נאו
I want to feel your body
את לבך פועם בחוזקה
